

Santa Monica Language Academy is the place where children learn a new language, have fun and discover a new culture.

Kids Language Classes

Have your child learn a second language and prepare him for the future! Our small group classes are all about having fun while learning another language. Experienced, native speakers will provide the best learning experience for your child.

After School Classes

We offer after-school classes for children aged 4 to 12 years old. Groups are small, between 2 and 6 students. Our teachers will guide the children in their learning process, making sure that they have the best experience.
